TSC High School provides a flexible learning approach where students can choose and complete courses at their own pace

**WITHOUT constraints of time and dates.**

From enrollment to graduation, students can take courses from outside Ontario (regardless of country/region), and study the subjects required for Ontario high school graduation and university admission.

# OSSD Requirements

## 30 Credits (18 Compulsory Credits + 12 Elective Credits)

Each course is considered as 1 credit. However, Civics (CHV20) and Career (GLC20) are considered as 0.5 credits.

## 40 Hours of Community Involvement Activities

When submitting documents provided by TSCHS after volunteering, they are acknowledged

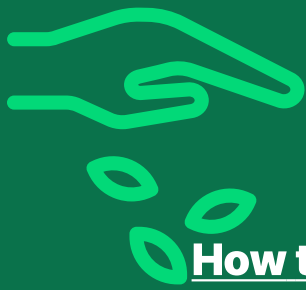

## OSSLT\* (Ontario Secondary School Literacy Test)

The OSSLT is a mandatory literacy test required for 10th-grade students attending high school in Ontario to obtain the Ontario Secondary School Diploma (OSSD). This test assesses students' minimum literacy standards.

If a student fails twice, they are given two opportunities for a retest. Alternatively, in the 12th grade, they can take a course called OLC40 as a replacement.
